

FORCE *i*

Force *i25*
Dual 15-Inch Two-Way
Full-Range Speaker System

Key Features:

- Two-Element Shaded Array
- RMD™ - Ring-Mode Decoupling
- 1-inch Exit Pure Titanium True Compression Driver
- 80° x 55° true Constant-Directivity horn
- High Power Crossover Network
- PTP™ Power Tracking Protection
- Built-in Wheels for Easy Transport
- RoadWood™ Enclosure
- Manufactured in the United States

General Description:

The Force i25 is a dual 15" two-way system with the heart and soul of a subwoofer. Utilizing a two element shaded array, the upper woofer covers bass and mids while the lower woofer combines to drive the huge bass port with room-shaking efficiency. EV's Ring Mode Decoupling (RMD) technology assures that voices and instruments will stay smooth and detailed regardless of level. The DH2010A one inch exit true compression driver has a pure titanium diaphragm for sparkling, crystal clear highs. Coupled with our proven 80° x 55° low distortion Constant Directivity™ horn, your audience will hear more details more clearly throughout more of the room than with typical competitive 90° horns. The large single handle on the top of the enclosure makes it easy to tilt and roll the Force i25 on its built-in pocket wheels. The enclosure itself is made of RoadWood™, which is twice as strong but only half the weight of the particleboard and MDF used by some other manufacturers. For truly outstanding performance, power a pair of Electro-Voice Force i25's with an Electro-Voice Q-66 power amplifier or a Dynacord PowerMate™ powered mixer.

Technical Specifications:

Freq. Response (-3 dB) ¹ :	46 Hz - 18 kHz
Freq. Range (-10 dB) ¹ :	35 Hz - 20 kHz
Sensitivity (1W / 1m):	100 dB
Max. Calc. SPL:	134 dB
Power Handling:	600W
Coverage:	80° x 55°
Impedance (Nominal):	4 ohms
LF Transducers:	(2) EV-15E, 15" (381mm) LF Drivers
HF Transducer:	DH2010A, 1" (25.4mm) Exit HF Compression Driver
Crossover Frequency:	2.15 kHz
Enclosure:	RoadWood™ Covered in Heavy Duty Black Carpet
Connectors:	(2) Speakon® NL4
Grille:	Powder Coated Steel
Dim (H x W x D) in:	45.98" x 17.92" x 20.25"
Dim (H x W x D) mm:	1168 mm x 455 mm x 514 mm
Net Weight:	98 lbs (44.5 kg)
Shipping Weight:	108 lbs (49.0 kg)
